## **IMPACT OF THE STATE'S EARLY RELEASE PROGRAM – MAY 2011 (ADMINISTRATIVE MEMO, AGENDA OF MARCH 2, 2010)**

On March 2, 2010, your Board directed the Chief Executive Officer (CEO) to provide monthly reports on the impact the State's prison and parole reforms have on the Sheriff's Department (Sheriff), Department of Mental Health (DMH), and Department of Health Services (DHS). Our September 27, 2010, report to your Board advised you of DHS' request to be excluded from future monthly reports due to the lack of impact experienced. Therefore, the following is a summary of the impact on Sheriff and DMH since the implementation of Senate Bill X3 18 on January 25, 2010.

### **Department of Mental Health**

#### **Individuals Currently Residing in Los Angeles County Reclassified to Non-Revocable Parole Status**

Between January 1, 2010 and April 22, 2011, DMH outpatient facilities treated a number of individuals whose services were terminated by Parole Mental Health facilities as a result of the reclassification of their parole status. This number should be considered an estimate as it is based on the self-report of individuals who disclose the information when they initiate a request for service.
